

Halloween Parade

Uncas Elementary School will be participating in Halloween festivities as usual **Friday, October 29** with a few guidelines in place.

There will be a Halloween Dance class by class only, during the regular Physical Education periods in the gym. Thank you to Parent Council who will decorate for the event and student Halloween art will also be displayed.

Parents and Guardians are invited to our **outdoor** Halloween Parade on Friday at **1:15pm**. You are welcome to observe the parade from your car or just outside your car on the service road in front of the school or further east on the north side of the pole fence. This worked well last year and we are hoping for good weather! Please if you are outside your vehicle respect personal distancing and wear a mask if you are near others.

Students will come out the front door class by class spaced out and proceed on the sidewalk east. They will continue east to the field along the pole fence.

A few other guidelines are listed below:

- Students costumes must not inhibit wearing a non-medical mask
- Please no sharing of treats
- As usual costumes must not have inappropriate themes such as depicting violence

The weather looks like it will be very seasonable for the event.

Thank you and let's hope the kids have a great time!
