

UNCAS ELEMENTARY SCHOOL

Parent Advisory Council & USCCA

WHAT IS PAC?

Many of you may be unsure of what Parent Advisory Council (PAC) is and what we do. School councils were established to increase parent and community involvement in the education of children. At Uncas School the PAC organize fundraisers, runs the bus to swim program, recycles the bottles and cans in classrooms, runs the hot lunch program, milk program, snack program, organizes sports day, movie nights and dances and many more great events and activities- we are a busy bunch of people!! As a parent of a child at Uncas Elementary you are already a member of the PAC. Meetings take place each month and we invite you to join us and make a difference.

An agenda will go out before each meeting and even if you can't join us you can have your say by emailing us at;

uncaspac@gmail.com

The next meeting of PAC is
Tuesday, April 5th at 6.15pm
 VIA Zoom

BUS TO SWIM

Bus to swim spring session is a go! Winter session applicants will get first priority. Dates will be announced soon!

COBBS FUNDRAISER

Did you know if you purchase from Cobbs on Wye Road and mention "Uncas School" that a percentage of your purchase goes back to the school?

volunteers don't get paid, not because they're worthless, but because they're priceless

For the most up to date information, join us on Facebook!

HOT LUNCH NEWS

As we work out the kinks with our new Caterer, we would ask that going forward all feedback be provided to your Classroom Rep. The Classroom Rep will bring concerns forward to future PAC meetings on behalf of the class. The caterer is working hard to address all concerns.

IDEAS NEEDED!

Bring your best fundraising ideas to the April PAC Meeting. We will be voting on a new fundraiser to add! Be sure to come prepared with all the details of the fundraiser including the return for PAC.

2021/2022 Class Representatives
